

CONGRATULATIONS!

Your organization has been named a winner in the **2018 AMERICAN WEB DESIGN AWARDS**.

Now in our 55th year, Graphic Design USA (GDUSA) has long sponsored design competitions that spotlight areas of excellence and opportunity for creative professionals. Our American Web Design Awards™ has emerged as a highly-respected and anticipated annual showcase of the power of design to enhance online communications and experiences, with a growing emphasis on web design, interactive design and UX design. Entries rose to nearly 1,500 — a record — with a highly selective top 15 percent recognized as a winner.

Your award certificate is enclosed for each winning piece. Also enclosed is an optional order form for:

PUBLICATION IN PRINT + ONLINE + MOBILE

For a single production fee, your award-winning piece, with image and full credits, will appear across media: GDUSA's printed and digital design annual in June; online on our popular website for an entire year; and on phone and tablets. All told, it will be seen by an estimated 100,000+ decisionmakers. In addition, we'll provide extra hard copies for colleagues, clients, prospects and friends; direct links to your piece(s) in the website winners gallery; a winners logo and press release for promotional support; and, if you wish, we send a personalized message to clients and managers explaining and praising your win.

EXTRA AWARDS CERTIFICATES + PLAQUES

For a processing fee, you can order exact duplicates of the Awards Certificate OR revised copies of the Certificate to add clients, colleagues and suppliers OR an etched metal and lucite plaque that replicates your Certificate. These make excellent promotions for you and clients, as well as a really nice keepsake.

THE DEADLINE IS FRIDAY MAY 25

Again, congratulations and best wishes.
